### **Difference Coffee – specialty**

#### **Jamaica Blue Mountain Grade One 8.00**

Jamaica Blue Mountain, a UNESCO site, is renowned in the coffee world for its rich history and exceptional beans. With a classic chocolaty and creamy taste profile, these beans are graded 19+, surpassing Grade 1 size 17. Less than ten barrels are available per year, making this a rare and highly sought-after specialty coffee cherished by connoisseurs.

#### **Panama Geisha 15.00 (per shot)**

The Domaine de la Romanée-Conti of Coffee. Geisha coffee is celebrated as the most prized varietal in the world of specialty coffee. It offers a beautiful cup with floral and fruity notes unlike any other coffee.

#### **Brazil, Swiss Water Decaf 8.00**

Indistinguishable from regular coffee, this exceptional decaf from the Daterra Estate in Brazil is distinguished by its full body, impeccable balance, and prolonged sweet aftertaste, featuring indulgent notes of dark chocolate, caramel, and a subtle citrus zest. Unlike typical decaffeinated options, our coffee undergoes the SWISS WATER®

Process, a 100% chemical-free method that removes 99.9% of caffeine while preserving the beans' natural flavours and aromas. A superior decaf that truly stands out.
